

## **DISCLAIMER AND CONTRAINDICATIONS**

EMC-PEMF, LLC and its distributors offer low risk, general wellness products that promote a healthy lifestyle, encourage and maintain good health, and reduce the impact or risk of some chronic diseases and conditions where a healthy lifestyle has been shown to play an important role in improving quality of life and living well. The FDA has not evaluated these statements, and EMC-PEMF products are not intended to diagnose, treat, cure or prevent any disease or medical condition. PEMF products are meant to address energetic elements that aid the body's natural healing abilities, and help to restore and maintain energetic balance. The therapeutic low intensity pulsed electromagnetic fields generated by these products use similar levels of energy as the natural vitalizing energy of the Earth. The use of a PEMF product is contraindicated in people with pacemakers or other electronic implants, cochlear implants or mechanical heart valves. PEMF products are also contraindicated during pregnancy, and in people with epilepsy or bleeding. PEMF therapy is also contraindicated for: organ transplant recipients or those on immunosuppressive therapy, and those with non-MRI safe IUD's. Patients should tell their doctors when they are thinking about using complementary therapies with conventional medical treatment. EMC-PEMF, LLC makes no warranty or representation of any kind, express or implied, regarding the suitability or fitness of any EMC-PEMF, LLC products as alternative or complementary to any medical treatments and therapies, and thus EMC-PEMF, LLC disclaims liability in connection therewith, either through the use of the purchaser or third parties. In signing this form, the purchaser acknowledges that they have been properly advised by the Terms of Use through the EMC-PEMF User Guide and Manual, and to undertake due diligence with respect to the use of the product technology. The purchaser hereby expressly acknowledges and agrees that EMC-PEMF, LLC shall not be liable for damages, or any other loss, whether direct, indirect, consequential, incidental, or special, which the purchaser may suffer, arising from any error, fault, or failure to properly use the product in accordance with the aforementioned User Guide and Manual. This information is not a substitute for professional medical advice. If you have or suspect a medical problem, please consult your health care provider.
